M

Declaration of Ecclesiastical Education Authority

Let it be declared that I, jonathan-daniel: clements, as trustee of the Ecclesiastical Sovereign Living Trust,
hold full authority over the education, moral instruction, and intellectual development of any and all beneficiaries
within this trust.

This authority includes but is not limited to:
- Rejection of state-sponsored indoctrination or compulsory attendance
- Selection of all educational materials and curricula
- Oversight of spiritual, ethical, and lawful instruction

No state, agency, or institution shall override the sovereign right of this trust to instruct its beneficiaries in alignment
with divine truth.

Sealed in private ecclesiastical authority. No witness required.

Affidavit of Ecclesiastical Healthcare Autonomy

I, jonathan-daniel: clements, a living man under divine jurisdiction, hereby declare that I retain full and unalienable rights
to determine all aspects of health, healing, and medical care for myself and any private members of my trust.

This affidavit rebuts:
- Mandatory treatments, vaccinations, or procedures
- Licensing requirements to practice natural healing
- State interference in private health choices or religious exemptions

Healing under ecclesiastical law is sacred and immune from regulation. No harm, penalty, or denial of rights shall be permitted
for exercising natural remedies or divine stewardship over the body.

Sealed in private ecclesiastical authority. No witness required.

Declaration of Ecclesiastical Financial Sovereignty

This document confirms that all funds, accounts, instruments, ledgers, or

exchanges managed by jonathan-daniel: clements
in the capacity of trustee, are done so in private ecclesiastical capacity.

I do not operate within the public financial system by default, and I rebut any presumption that:
- I am engaged in taxable activity
- I require a license or registration to manage assets
- I am subject to reporting statutes or fiat regulation

The trust is self-governing, self-regulating, and immune to external audit or surveillance.

Sealed in private ecclesiastical authority. No witness required.
